Fax 933-3341

2021 - 2022

Dear Parent:

Thank you for your inquiry about Kiddie Kollege Pre-School. Enclosed is our packet for the 2021 - 2022 school year. Please take a moment to read through the information as it pertains to our preschool education and the programs that we offer.

Since you are new to our school, we recommend that you contact us to arrange a visit with your child. In keeping with CDC and NYSDOH guidelines, our tours will be scheduled after 12:30 p.m. Monday- Friday at the conclusion of class sessions.

If you're already familiar with our school and would simply like to begin the process of enrollment, please complete the application and attached forms and return them to the school office together with your registration fee payable by cash, check to Experience Church, Zelle ([giving@experiencechurchag.org](mailto:giving@experiencechurchag.org)) or Venmo @ExperienceChurchAG. Be sure to fill out our Health History form and attach your child's completed Immunization Record with your physician's signature. This must be completed and on file by Sept. 1, 2021 along with the Emergency Hospitalization form.

If you have any questions, please do not hesitate to give us a call. We look forward to meeting with you.

Yours sincerely,  
Darlene J. Bennardo  
Director

Encs.

## **Kiddie Kollege Pre-School Covid-19 Plan of Action**

(August 4, 2020)

In preparing for the upcoming school year at Kiddie Kollege, these are the plans we purpose to implement for the health, safety and well-being of our staff, students and their families.

### **Purpose**

As a private faith-based school, we must develop an individual plan for reopening and operating in-person, peer to peer instruction during this Covid-19 public health emergency.

### **I. People**

#### **A. Social Distancing**

- Upon arrival and dismissal of students, we will ensure that appropriate social distancing is maintained. This required distance will be clearly marked on the floor and must be adhered to.
- The number of students in each class will be limited to give more space for those within the classroom to move freely about.

#### **B. Face Coverings and Personal Protective Equipment**

- Anyone entering the building at any time during school hours must wear an acceptable face covering. This includes staff, parents, students, siblings over age 2, delivery personnel, custodial staff, repairmen, church personnel and pastoral staff.
- Our staff will be required to wear acceptable face coverings due to the inability to social distance while working with the children.
- As per ChildCareNassau.org, children will not be required to wear facial coverings in child care programs as they are not considered public space. However, each child must have a facial covering in their personal belongings bin for possible use in our common areas and to contain the spread of germs in the event the child becomes ill.
- While we may not require a child to wear a facial covering during class, if your desire is that your child wear one, we will honor your request.
- We will provide adequate supplies, including soap, hand sanitizer, paper towels, tissues, disinfectant wipes and disposable gloves (staff) to support healthy hygiene behaviors.

#### **C. Extra Curricular Activities**

- Soccer Shots will be the sole extra-curricular activity offered. If you are interested in signing up your child for this activity, please see the attached information titled "*Returning To Soccer Island*". A presentation will be made on our pre-taped virtual Parent Orientation.
- All other extracurricular activities will be suspended until 2021 and/or after further review. These activities may include: parent participation in class birthday and holiday parties, in-person Parent/Teacher Conferences, Christmas Concerts and visiting community workers (police officers, dentist, pediatrician, Safety Swim, etc.)

#### **D. Staff Training**

- Staff Orientation - Our plan of action for reopening during the Covid-10 pandemic will be reviewed

- Our Staff will participate in Early Childhood Webinars pertaining to Covid-19 concerns.

### E. Vulnerable Children

- Older adults and people of any age who have serious underlying medical conditions are at higher risk for severe illness from Covid-19. These risks include lung problems including asthma, heart issues, diabetes, obesity, a weakened immune system, kidney and liver issues.
- Staff members or individuals age 65 or older entering the building or, children with serious underlying health conditions are encouraged to consult with their doctor to assess their risk of being in a school environment.

## 2. Space Configurations

### A. Classrooms

- Space will be reconfigured to limit each child's personal space and the sharing of toys. This will be accomplished by each child having a clearly marked and designated work space, their own supply box and specific manipulatives/toys for each day.
- Coat hooks will be spaced appropriately so that jackets are not touching each other.
- Backpacks will be eliminated. In place of them, each child will receive a plastic bin with a lid to store personal items. These will remain in the classroom.
- Lunch boxes/reusable sacks will be eliminated. All snacks coming from home must be placed in a disposable paper/plastic bag. All items must be disposable and anything uneaten will be put in the trash.

**Modification for Terrific Two's:** If your child uses a Sippy cup, you may purchase one to remain in the classroom in your child's personal storage bin. When your toddler attends, send in a beverage in a disposable container (juice box). Our teachers will transfer the beverage into the Sippy cup. After each use it will be washed and returned to your child's personal items bin.

### B. Schedules

- In an effort to limit the amount of people congregating in our main play area, we will be implementing a staggered arrival and dismissal time to help facilitate proper social distancing.
- Extra time will be necessary upon arrival and dismissal as all staff, children and parents will have their temperatures taken and will be asked to return their completed questionnaire with full measure in place to ensure confidentiality. Individuals who present a temperature of 100 F or show any other signs of illness will be denied entrance into our facility.
- Children will be greeted by their teachers in the main play room at the hallway entrance to the classrooms. Parents/Guardians/Siblings will not be permitted to enter the hallway or the classrooms.
- Class schedules will be as follows:
  - Pre-K** - Arrival will begin at 8:30 a.m. / dismissal at 11:30 a.m.  
Class will be in session from 8:45 - 11:45 a.m.
  - Nursery** - Arrival will begin at 8:45 a.m. / dismissal at 11:45 a.m.  
Class will be in session from 9:00 a.m. - 12:00 noon

**Terrific Two's** - Arrival will begin at 9:15 a.m. / dismissal at 11:15 a.m.

Class will be in sessions from 9:30 - 11:30 a.m.

**Please be prompt as arrival and dismissal times are based on your child's class.**

- All non-essential visitors and volunteers will be restricted during school hours.

### **C. Common Areas**

Common areas include our hallway, large indoor playroom, restrooms, playground and church sanctuary.

#### **A. Hallway**

- Exposure to other classes will be limited. Teachers and students will remain in their classrooms behind closed doors until the hallway is clear to transition to the next designed area.
- Children will be encouraged to walk with their hands at their side to refrain from touching the walls.

#### **B. Restrooms:**

- Students will be taken 2 at a time from the classroom to the restrooms where they will use the facilities and be monitored to wash their hands thoroughly with soap and water for at least 20 seconds.
- Soap dispensers will be hands-free and automatic faucet will be set to run for 20 seconds to ensure cleanliness.
- Our staff will sanitize the area after each use.
- Please encourage this practice at home.

#### **C. Classrooms**

- Each class will remain together with the same group of children and staff. Classrooms are not considered a common area or public space.

#### **D. Large Indoor Play Area**

- Several stations will be set up and each child will be assigned to play at a specific one.
- Our staff will sanitizes each station after use.
- Should we permit the children to move about freely, face masks will be required during this 30 minute activity.
- Terrific Two's will be excluded from wearing face masks as they are considered a strangulation hazard for children 2 years old and younger.

#### **E. Playground**

- Weather permitting, the playground will continue to be used one class at a time.
- Our staff will sanitize the playground equipment after each class use.
- The playground will be restricted to school related activities only including Soccer Shots.
- Students and their parents may not gather in the playground before or after classes.
- The playground will be locked each day after class sessions have commenced.

### **3. Hygiene, Cleaning, Disinfection, Ventilation and Water Systems**

#### A. Hygiene

- We will continue to encourage hygiene with special attention given to hand washing and hand sanitizing.
- Parents must provide hand sanitizing wipes that will be stored in their child's personal storage bin. Refresh supply upon teacher's request.
- We will reinforce the use of facial tissues and the necessity of coughing or sneezing into one elbow.

#### B. Cleaning

- Our staff will sanitize all areas of the classroom giving special attention to all touchable areas (tables, chairs, doorknobs, light switches and walls).
- All toys/manipulatives will be sanitized at the conclusion of the school day.
- In addition to our staff cleaning, we will continue to have our facility professionally cleaned by Coverall North America, Inc. cleaning service on a daily basis.

#### C. Disinfection

- JB Cleaning Services will be professionally disinfecting our entire church and school facility using Electrostatic Spray Technology once per week. Please see the attached information for more details.

#### D. Ventilation

- We will increase ventilation with outdoor air to the greatest extent possible, opening windows and doors while still maintaining health and safety protocols particularly for our young students.
- A/C vents will be professionally cleaned and sanitized.

#### E. Water Systems

- Drinking from our water fountain will be discouraged. Children and staff are encouraged to bring their own water to minimize use and touching of the water fountain.

### 4. School Health

Protocols for safely caring for a child or staff member if they develop symptoms of Covid-19 during a school day

#### A. Promote behaviors that will reduce the spread of the virus

- **Please stay home** if you or your child are not feeling well
- Call the school at 516-822-4241 or text my cell at 516-320-0558 to report symptoms and/or diagnosis of any illness. Supply a doctor's note to return.
- Notify us and quarantine for 14 days if you have traveled internationally or to a state with a widespread community transmission of Covid-19 as per the New York State Travel Advisory.

#### B. Isolate

- Should a child become symptomatic while in school, that child will immediately be separated from the class and isolated. The office will serve as the isolation area and the child will remain under the visual supervision of the director or receptionist.
- The child will be required to wear a mask to hinder the spread of germs.

#### C. Clean and Disinfect

- Once the child is picked up, the office will be closed off and disinfected.
- Any child who is sent home from school due to illness or is absent from school due to illness **may not return to class unless a note from their doctor is supplied clearing them to return.**

#### **D. Notify**

- In accordance with state and local laws and regulations, local health officials, staff and all families will be notified of any case of Covid-19 while maintaining confidentiality in accordance with the Americans with Disabilities Act (ADA).

*Please note that the manifestation of Covid-19 in children, although similar, is not always the same as that for adults. Children may be less likely to present with fever as an initial symptom, and may only have gastrointestinal tract symptoms, which should be taken into consideration during the screening process.*

#### **E. School Closing**

- In the event that any individual is diagnosed with Covid-19 within our program, we will close for 1-2 days for cleaning and disinfection and then determine if a 14 day closure is necessary. The Department of Health will be notified and we will comply with their directives.
- Tuition will be modified in this event to reflect the school closure.
- Anyone who has been exposed to the Covid-19 virus must quarantine for 14 days before returning to school. Tuition will be modified in this event to reflect quarantine.

### **5. Sheltering In Place**

- We will continue to follow the directives of our state and local officials and the recommendations of our health experts. In the event that our state calls for Sheltering in Place due to a surge in positive Covid-19 cases, our school will close and remain closed until permission to re-open is granted.
- We will do our best to provide a monthly academic calendar, craft supplies and online resources to continue age appropriate instruction available for pick-up at the school and perhaps some virtual lessons.
- A sole virtual preschool education will not be implemented.
- Tuition will be modified to reflect these changes.

### **6. Signage**

- Please take note of all the signs posted throughout the school area consistent with the Department of Health in regards to public health protection against Covid-19.

All these recommendations will be implemented to keep our staff, students and their families healthy and safe while resuming peer-to-peer instruction at Kiddie Kollege Pre-School. These guidelines are taken from the Department of Health, Center for Disease Control and Prevention and the Childcare Council of Nassau County.

Covid-19 policies and decisions are intended to mitigate, but not eliminate risk. No single action or set of actions will completely eliminate the risk associated with the virus that causes Covid-19 but these guidelines are being put in place to protect our staff, students and their families.

I have read the "Kiddie Kollege Pre-School Covid-19 Plan of Action". I will do my best to support all that is being put in place to deter the spread of the Covid-19 virus and to keep my child, family and school staff healthy and safe.

# Kiddie Kollege Pre-School

## PARENT'S GUIDE

### **ABOUT OUR SCHOOL**

Kiddie Kollege Preschool was established in 1976 by the Bethpage Assembly of God church as a means of providing a warm Christian atmosphere for the care and training of young children. It is supervised by the director and the church executive council.

The primary objective of our school is to furnish a wholesome and creative atmosphere for the care of children where they can be instructed in academic, social, physical and spiritual growth.

We adhere to a radically non-discriminatory policy as to student enrollment. We do not discriminate on the basis of race or religion in the administration of our educational policies, admissions policies and other school-administered programs.

### **CURRICULUM**

Our curriculum matches developmentally appropriate activities to traditional preschool topics for children ages 12 months to 5 years. Our instruction is encouraged in a structured yet flexible environment. All classes incorporate: table play; circle time including calendar, weather and prayer; arts & crafts with instruction; music including singing, movement and exercise; indoor and outdoor play (weather permitting); bathroom time including toilet training; snack and rest; and conclude with story time.

Faith and patriotism are also strong aspects of our program which we incorporate through teaching Christian character and principles, prayer, chapel and Bible stories and the pledges to the American flag, Christian flag and the Bible.

### **Our goals are:**

**Mommy & Me** (needs basis)  
- to combine a unique opportunity for both mother and child to enjoy focused, one-on-one play with the benefit and fun of social interaction.

**Terrific Two's**  
- to encourage separation, independence, verbal expression and self-awareness through expanding the child's social abilities and interests with guidance, direction and support

**Nursery**  
- to expand the child's cognitive, affective and physical growth through sensory motor-play that develops both fine and gross motor abilities; and to provide opportunities for imagination and language development

**Pre-K**  
- to encourage areas of cognitive skills, language, self awareness, social studies, math, science, gross and fine motor movements; to develop curiosity, imagination and creativity; and incorporate pre-reading and pre-writing skills through the Learning Without Tears curriculum model

**AGE OF ENROLLMENT**

The Bethpage Public School District cut-off date for entering kindergarten is December 1<sup>st</sup>.

**HOURS**

<b>Mommy &amp; Me</b> .....	10:00 - 11:30 a.m.
<b>Terrific Two's</b> .....	9:30 - 11:30 a.m.
<b>Nursery</b> .....	9:00am - 12:00pm
<b>Pre-K</b> .....	8:45 - 11:45 a.m.

Arrival and dismissal of students will be from our large indoor play area. The classroom teacher will greet you and your child by the hallway to the classrooms. Your cooperation in being prompt is appreciated.

**CLASS SIZE AND RATIO**

**Mommy & Me** - 5 toddlers, 5 mothers, 1 teacher  
**Terrific Two's** - 12 children, 1 teacher, 2 assistants : 4 to 1 ratio  
**Nursery** - 14 children, 1 teacher, 1 assistant : 7 to 1 ratio.  
**Pre-K** - 16 children, 1 teacher, 1 assistant : 8 to 1 ratio  
*\*Our teachers are degreed and/or certified by N.Y. State and all staff members are C.P.R. certified by the American Heart Association.*

**THIRD PARTY PICK-UP, LATE ARRIVALS AND EARLY DISMISSALS**

If you must pick up your child early or plan to send another party, please notify the office and classroom teacher in advance. We require that the party stop in the office and show photo ID of which we will make a copy for our records. We will not release a child unless notified by a parent. If your child will be late to school or picked up early, the office personnel will escort your child to or from his/her classroom.

**COMMUNICATION**

Monthly newsletters and notices will be emailed. A hard copy will also be posted on the bulletin board located by the main entrance. Please be sure to read them as they include pertinent information relating to your child's education. Your child's teacher will also set up a means of communication through email, Dojo or a private Facebook page.

## PHOTOGRAPHS

Periodically we will be taking photos of our facility including the classes and students to update our website, Experiencechurchag.org, and our Facebook page. Please inform us if you are opposed to your child being included.

## SCHOOL CALENDAR AND EMERGENCY CLOSINGS

We follow the Bethpage Public School district calendar for all closings excluding the Jewish holidays since we are a Christian school. In the event of an emergency closing, you will receive a Flock Note text message informing you of our closure.

## PARENT-TEACHER CONFERENCES

Formal conferences will be held once, mid-year, giving parents the opportunity to speak with the classroom teacher about their child's overall progress. If necessary, a conference can be arranged any time during the school year.

## HEALTH REQUIREMENTS

In accordance with New York State law, all children entering school must have a completed and signed Health Form on file by the first day of school. Your child's physician may fax (516)933-3341 or email your child's proof of immunization to [director@optonline.net](mailto:director@optonline.net) or you may return it to the school office before the 1st of September.

## ABSENCES

Please call the school office if your child is going to be absent for any reason. If we do not hear from you after three absences, we will contact you. A Medical Attention Notice will be emailed should a student be ill with a communicable sickness.

## CLASS LISTS

A signed consent is mandatory for your child's name to be posted on his/her class list which is located at the bottom of the enrollment form. The purpose of the list is for socialization purposes.

## CLASS MOMS/DADS

Class Moms/Dads are picked by lottery method. One will be chosen per class and responsibilities will be outlined by the director in a brief meeting early in the school year.

## SNACKS

Children are required to bring a healthy snack with a drink that does not require refrigeration or heating. Please refrain from sending in:

- whole grapes (halved are appropriate)
- popcorn
- hot dogs
- or baby carrots

These are high risk choking food that we will not serve even if they have been supplied from home.

Please note that we are also a **PEANUT FREE** environment. Therefore, no peanut products.

We so appreciate your interest in Kiddie Kollege!

Please refer to our Kiddie Kollege Pre-School Covid-19 Plan of Action for all updates pertaining to our school's policies and operating procedures in accordance with CDC and NYSDOH guidelines for the safety, health and wellbeing of all staff, students and families affiliated with our programs.
