March 2022

Dear Parent,

We're so happy to be able to offer our **Summer Camp Program** to you again this year. Your child will enjoy a structured yet flexible recreational and educational program which will include table play, arts and crafts, age-appropriate enrichment, indoor play, music, playground, lunch and story times, sprinkler play, show-and-tell, games and socializing with familiar and new friends.

If your child is new to our program, you will find, along with the Enrollment Application, a Health History, Emergency Hospitalization Statement, Changing Waiver, a modified Covid-19 Plan of Action and our Parent Guide, of which some information applies to our camping program. You may also contact us to schedule a tour of our facility and turn your child's paperwork and \$100.00 deposit into the office at that time. Your deposit will be deducted from your overall balance. Your child's immunization record must be attached to our Health History and on file by the first day of camp in accordance with New York State health regulations. We will continue to follow CDC and NYSDOH guidelines for the health and safety of our campers and staff.

For your information, we will do all that we can to try to accommodate your summer schedule. This means flexibility with:

- **Days** - Although our application refers to a 2- or 3-day program, we can be flexible each week with the days your child attends should you have a family outing planned or something unexpected.
- **Weeks** - If you choose 4 or 5 weeks, they do not necessarily have to be consecutive, but must remain within the July 6th - August 18th window.
- **Hours** - We're offering a 2, 3 or 4-hour program for your convenience. Note: 2 hours will not include lunch or sprinkler play. See the attached page for rates.

Once again, thank you for your interest in our program and feel free to contact us at the office 822-4241 or on my cell (516)320-0558.

Sincerely,
Mrs. Darlene J. Bennardo
Director
Enc.
