This grant award is provided as a result of your successful application submission to the SFY2021-22 Securing Communities Against Hate Crimes Program Request for Proposals (RFP). The program seeks to strengthen the safety and security at facilities of New York nonprofit organizations at risk of hate crimes or attacks based on their ideology, beliefs, or mission. Congratulations on your award.	
Please be advised that this award does not guarantee funding of all budget items included in your proposal. Final contract amounts will be determined after a collaborative review of budgeted items for eligibility and reasonableness of cost. If any proposed expenses are determined to be ineligible, awardees may be offered an opportunity to substitute eligible expenses. If no additional eligible expenses can be identified, the contract will be written for a reduced amount to include only eligible expenses. A Public Safety Grants Representative from the DCJS Office of Program Development and Funding will contact you to initiate the development of your contract. In the meantime, should you have any questions, please contact one of the Public Safety Grants Representatives named below.
